

THE PAUL AND JEANNIE MORRIS EDUCATION TRUST SCHOLARSHIP APPLICATION

2025/26 Needs-Based Scholarship

Guidelines

The Paul and Jeannie Morris Education Trust was established to provide “for the payment of post-secondary educational costs for one or more financially needy students from financially needy families”. Post-secondary education shall include enrollment at trade schools, technical schools, apprenticeship programs, and/or colleges and universities, not to be limited by geographic location.

The Paul and Jeannie Morris Education Trust Scholarship provides for payment of some or all post-secondary education expenses, at the trustee’s discretion, including tuition, books, class materials, room and board, and related expenses for a graduating senior of Connersville High School or Whitewater Career Center. Any Morris Education Trust Scholarship award granted shall be reduced by other scholarships received, or to be received by the applicant, and by State and Federal aid that the student is reasonably entitled to (so long as such aid does not have to be repaid).

Applicants must meet **ALL** of the following eligibility requirements to be considered for this scholarship:

- (1) Must demonstrate financial need
- (2) Must be a Fayette County resident
- (3) Must be a graduating senior of CHS or WCC
- (4) Must plan to attend a college or university (2 or 4 year), technical school, or apprenticeship program
- (5) Must have an average GPA, or better
- (6) Must possess a positive attitude, a desire to learn, and a scholarly work ethic

Scholarships awarded by the Paul and Jeannie Morris Education Trust are intended to support the educational pursuits for the full tenure of the trade, apprenticeship, or college program, as the case may be, on a full-time basis; however, scholarships may be revoked, without advanced notice, due to a student’s poor attendance, poor academic performance, dishonesty, perceived lack of desire, perceived lack of academic effort, and/or perceived involvement in activities by the student that are unacceptable based on law or common morality. Transcripts and/or semester grade reports may be requested, from time to time, to determine ongoing eligibility.

Tuition payments will be paid directly to the college, technical school, or apprenticeship program. The student will be responsible for submitting to the Trustee an invoice for tuition and fees each semester as it becomes available.

Applications must be received by 5:00 p.m. on **May 16th, 2025**. Late applications will not be considered.
